Words & Music by
STEVE MARRIOTT

There she is a - gain, stepping out of her lim-ou - sine
There she is a - gain, watch her stop the main street in it's tracks
I'm sweating and I'm shaking and I'm bring-ing you the news
I'm looking out my back door wond'-ing which place to go

Look-ing like the cov-er of a twen - ty dol - lar mag-a - zine
Look-ing like a cre-ole queen, hair hang-ing down her back
You can do an - y - thing but lay off of my blue suede shoes
Think I'll move on down to Memphis, pay my mon-ey, see a rock and roll show

She's got it where you find it
Don't look too long boy
That's why I'm standing here today preaching
Find me a sweet eyed Su - zie to -
